

Presentation #

WSTS Innovation Showcase Review Form

Brief Title: TITLE

Presenter(s): NAME(S)

Rate each criterion on a scale of 1-5 as follows:

1. *Poor: Element has major deficiencies.*
2. *Fair: Meets criterion but has significant deficiencies.*
3. *Good: Criterion met, with minor deficiencies.*
4. *Very Good: Criterion fully met.*
5. *Excellent: Criterion exceeded or met in a noteworthy manner.*

(Note: Please double the weight of criterion E.)

Criterion	Points
A. Introduction / background / motivation / context: The need or motivation for the project is suitably described, and the context within the broader field is appropriately set, including comparisons to competing, alternative or similar work or products that are currently in use. Project audience is clear.	
B. Creativity and Originality: Project is a fundamentally novel idea or implementation rather than a minor incremental tweak to existing methods and products.	
C. Technical quality of finished product or process: Project is technically sound and quality is appropriate to the objectives. Usability of the product and/or implementation is appropriate to the intended end user.	
D. Quality and clarity of presentation: Presenters explained and/or demonstrated the project well. Presenters chose the best method for conveying the impact of their project.	
E. Significance/Commercial Relevance: Product/concept/project shows a high potential for impact on the economy and society through technology transfer, innovation, new business, quality of life or job creation.	_____x2=_____
