Inspiring Wisconsin Innovation

WiSys is a nonprofit that works with faculty, staff, students and alumni of the University of Wisconsin System.

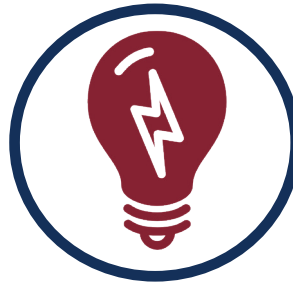

WE SUPPORT RESEARCH

We connect researchers to grants, supporting every stage of their research and development.

WE MARKET IDEAS

We provide intellectual property assistance when research or ideas lead to a commercial opportunity.

WE INSPIRE STUDENTS

We better the educational experience with events and chances to grow research and innovation skills.

WE BUILD CULTURE

We think big about fostering a culture of innovation on University of Wisconsin System campuses.
